

FSIG Expert Fabry Conference Best Caregiver Award

The Best Caregiver Award will be given during the FSIG Expert Fabry Virtual Conference held on-line April 9th-11th, 2021. The first place person receiving the Best Caregiver Award prize will be recognized with a certificate and \$150 Visa/MasterCard gift card. Three runner-up finalists will receive a certificate and \$75 Visa/MasterCard gift card. You or the person you nominate do not have to attend the conference to win.

Those living with Fabry disease have a chance to nominate the individual who they think best deserves this award with a brief essay. The Caregiver Award is intended for a family member, significant other or friend. Over the years, we have heard some awesome stories from many of you about your amazing caregivers. Now is the time to recommend your special caregiver that has gone above and beyond to help you. Complete the information below, and use the lines on the back for your essay. Then submit your nomination to the address below, or email your nomination to programs@fabry.org by the end of the day **March 4, 2021**.
